EDUCATION

Higher Diploma in Computing & Software Engineering

ICBT Campus, Sri Lanka

G.C.E. Advanced Level (A/L)

Baduriya Central College,
Mawanella, Sri Lanka

G.C.E. Ordinary Level (O/L)

Baduriya Central College,
Mawanella, Sri Lanka

SKILLS

- Python Programming
- Java Programming
- Web Development (HTML, CSS, JavaScript, PHP)
- Database Management (MySQL)
- REST API Development (.NET)
- R Programming (Data Analysis)
- Git & GitHub

SOFT SKILLS

- Problem Solving
- Teamwork
- Communication
- Time Management

ABOUT ME

Junior Software Engineer with a strong foundation in Java and web development. Experienced in building desktop and web applications using OOP, HTML, CSS, JavaScript, PHP, and MySQL. Passionate about learning, problem-solving, and developing efficient, user-friendly systems.

PROJECTS

LuxeVista Resort Mobile Application

- Developed a mobile application for hotel room booking and reservation management
- Included features for activities and spa service booking
- Applied object-oriented design principles and UML diagrams

Java Desktop Application – Bookstore System

- Built a Java-based system with Cashier and Manager roles
- Implemented book management and file handling using MVC architecture

Web Application – Appointment Management System

- Developed using HTML, CSS, JavaScript, PHP, and MySQL
- Implemented user authentication and booking features

API Development Project (.NET)

- Designed and developed RESTful APIs with role-based access control
- Used for event management system integration

Data Analysis Project (R)

- Performed statistical analysis on telecom customer data
- Applied regression models to analyze customer churn patterns
